

# MOLDAVENGER

## Surface Cleaner

**DESCRIPTION:** *MOLDAVENGER* is a highly concentrated enzyme cleaner that safely and effectively removes, lifts and dissolves many types of stains and soils. *MOLDAVENGER* has been specifically designed to clean interior and exterior surfaces where mold and other fungi are problems. *MOLDAVENGER* is a "complete" cleaner and requires no additives and incorporates the most recently developed surfactant package. This product has also been proven as an excellent choice for removing proteins, oils and many different soils. *MOLDAVENGER* will penetrate and emulsify soils while lifting them to the surface and was designed for regular maintenance and pre-cleaning of surfaces prior to painting. *MOLDAVENGER's* unique design will clean, brighten and provide complete and rapid soil penetration and breakdown of organic soils.

*MOLDAVENGER* can be used in bathrooms, pool areas, spas, interior/exterior walls, decks, side-walks and other hard surfaces. *MOLDAVENGER* works on painted stained or bare wood, concrete, masonry, metal, and plastic. It is suggested *MOLDAVENGER* be tested on small "test" areas prior to application.

**METHODS OF APPLICATION:** *MOLDAVENGER* may be applied by hand methods, brushing, soaking, fog, foam, spray and high pressure.

### ADVANTAGES:

- X Excellent cleaning
- X Non- corrosive
- X Free rinsing
- X Safe to use
- X Deodorizes
- X Versatile
- X Leaves surfaces clean, bright, deodorized and ready to paint
- X Provides a residual effect against re-growth of fungi

### PHYSICAL PROPERTIES:

Color/Appearance ..... Blue/Powder  
Biodegradable ..... 100%  
Odor..... Citrus/Pleasant  
Rinsing ..... Excellent  
Solubility ..... Complete/100%  
pH ..... 10.4 +/- 0.5

**GENERAL USE DIRECTIONS:** *MOLD AVENGER* is generally used at a concentration of 1 (one) pound product to 4 (four) gallons of water. Warm water improves solubility and increases cleaning effectiveness. *MOLDAVENGER* should be applied to the surface, agitated, left to set 15-20 minutes and rinsed thoroughly form the surface.

**SPECIAL NOTES ON USE & SAFETY:** *MOLDAVENGER* is generally considered safe on hands at use concentrations but as with any specialty chemical it is recommended that rubber gloves and eye protection be used. Keep out of reach of children. Store product at temperatures below 110BF. **DO NOT TAKE INTERNALLY.** See product label or M.S.D.S. for additional precautionary information.
